About OFOSA

Oregon Friends of Shelter Animals has been working tirelessly for 16 years to save homeless pets from high-kill shelters.

OFOSA has grown from a small kitchen table operation with a handful of passionate animal lovers to a respected leader in this cause, helping to support several local shelters, rescues and hundreds of foster homes. We transport thousands of animals every year out of overcrowded kill shelters from as far away as California. **We have skilled and trained medical staff with a fully functioning spay and neuter clinic, providing hundreds of surgeries per year. We are one of the few shelters in the Northwest that will tackle hard to treat medical illnesses and infections such as ringworm and the parvo virus.**

We have many rescue partnerships with other organizations who transfer “last chance” animals to us. We also receive air transports through the good people at Wings of Rescue who bring in animals from other kill shelters that would otherwise be beyond our reach. With the help of our adoption partners, **Fido's, World's First Dog Tap House**, PetSmart and Petco, and our dedicated volunteers, we are proud that we have been able to provide homes for over 99% of our rescued animals.

Every animal that we get at OFOSA is unique in personality and circumstance, however, we follow the same specific processes to provide the best possible outcome for a healthy, happy animal and a successful adoption. Some of our processes are listed below:

- Medical Evaluation & Treatment
- Spay or Neuter, without exception
- Microchip
- Vaccinations, Worm & Flea/Tick Treatment
- FIV/FLeuk Test on all Cats
- Grooming when needed, Bath, Nail Trims
- Animal Photo & Information uploaded to online database
- Placing in Foster Homes
- Care in ensuring proper adoption match

OFOSA Testimonials

“We adopted our dog from OFOSA 6 years ago and it was the best decision ever. They did an awesome job vetting to be sure she was a good match for our family. That’s why I feel happy supporting them, as they are careful to place their animals into good lifelong homes! From day 1, Phoebe (formerly known as “Flo”) fit into our home like a glove. We are looking now for a second dog to be a buddy to our 4 year old and will definitely be keeping an eye on OFOSA!”

-Amy Chastain

“OFOSA is such an incredible organization. Chris helped us adopt our two wonderful little dogs, and she made the process as easy as it could possibly be! We got all their records, they transferred the microchips for us into our names, and made sure all our questions were answered, and they just make you feel so appreciated for doing something so rewarding. OFOSA is by far the best organization to work with IMHO. When I worked at a local vet in Beaverton, we worked with them a lot, and they were always so great to work with. HIGHLY recommended!! !”

-Paula Slavich Sorensen

“We love our new little guy, Seve’ (formerly Dexter) he has been a great new addition for our family and become best play buddies with our 5yr old dog! Truly appreciated the quick responses and the transparency that OFOSA offered us during the adoption process!

- Renee Boyd

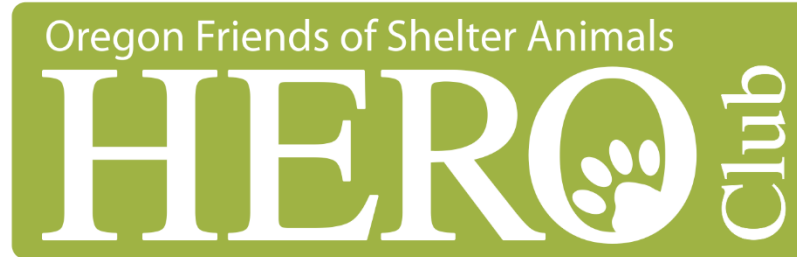

“I’m so happy I found Tina! She is such a playful, sweet, and smart cat. She’s become my alarm clock every morning, my snuggle partner at night, and my troublemaker during the day (she knows how to open doors and cat food bags). I love her so much! Thank you OFOSA for bringing this precious, 4-year-old angel into my life!”

Business Ambassador Opportunity

What is a Business Ambassador?

OFOSA Business Ambassadors are companies that help raise funds and awareness for OFOSA through cause-related marketing such as donating proceeds or providing year-round mission support. By using the official OFOSA Business Ambassadors badge* in company communications, Business Ambassadors can show their support and engage customers to make a life changing difference for animals in our neighborhood.
