

Year In Review 2019

2019 brought changes to OFOSA's business operations, but not our MISSION!

Because of generous donors and grantors, we were able to lease a space in Hillsboro, OR to serve as our Administrative and Surgical offices. We also added a part-time employee to take over the Cat Coordinator position. These changes have streamlined our intake and surgical efforts and given us space to house medical cases that cannot reside in a foster home.

Here's a recap of the last 12 months...

Adoptions -716

Surgeries- 785

OFOSA Adoption Testimonials

"We adopted our little Louis, a brindle Chihuahua from OFOSA. He is the sweetest. The team was very helpful in finding us the perfect match. Thank you!"

~Linda Gibson

"I adopted a senior cat named Mack. It has been a great experience. I'm so happy I found my cat! The process was easy to handle but thorough. The volunteer was very knowledgeable and so helpful. It was a nice bonus getting the coupon book from Petsmart to help with the costs of all the cat supplies. Mack has settled in quickly and already has a favorite spot on the couch looking out the window. I will definitely go through Friends of Shelter animals in the future.

~Jordan Lau

"Such caring volunteers who work their tails off! Chris helped me personally through a sad loss and then assisted with finding the perfect kitten that blended into our home perfectly! Thank you for saving lives and sharing joy!"

~Leslie Frederick

"We had a great experience adopting from OFOSA. Tracy was quick to reply, kind, and gave us all the information we needed. We would definitely go through them again in the future!"

~Megan Thorpe`

Thank you for bringing joy to a veteran in need of a companion 🐾💕

MEDICAL CASES

The most at-risk animals in a high kill shelter are the ones with an illness or injury. Because of our awesome supporters, we were able to rescue and save over 55 at-risk dogs and cats, restore them to health, and find them forever homes!

Here are a few of the cases we worked on this year!
